

Finch's Family Points of View

Name: _____

Mark: /9

In *To Kill a Mockingbird* Chapter 9, we get a glimpse into the beliefs and attitudes of the extended family. In the organizer below, write down a different point of view held by each family member. When the point of view isn't explicitly stated, try to extract an answer from what you understand about the character.

	Aunt Alexandra	Scout	Atticus
On gender roles and being "lady-like"			
On racial equality			
On what it means to be a member of the Finch family
