## **Lord of the Flies Chapter 7 Questions**

Name:
1. Who became the "pig" after the hunt?
2. What caused the boys to act this way?
3. Who does Jack suggest that they use next time to play the game, and what does this reveal about him
4. Give an example in this chapter of how fear deceives people and explain.
5. What impression do you get of Roger?
6. In a paragraph, describe the events in the chapter in terms of the psychoanalytic lens. Think about how the boys act, the connection to 'the shadow', and the connection to the hunt re-enactment. Also, what does the monster they find suggest about the collective unconscious?
