

Literary Devices Poster Project

Instructions:

1. Each student will be assigned one literary device.
2. Begin with a rough draft of your poster. Once approved, move to the final version on a larger poster page.
3. Your poster must include:
 - A title (the name of your device).
 - A definition of the device (in your own words).
 - A written example of the device.
 - An image or illustration that represents the example.
4. Be creative! Use color, neat writing, and clear visuals.
5. Your final poster will be marked out of 20 points.
