

Participles Practice Worksheet

Instructions: In each sentence below, identify the participle. Then decide whether it is a present participle or a past participle, and identify the noun it modifies.

Name: _____

1. The laughing child ran across the playground.

2. Exhausted from practice, the players sat quietly.

3. The broken window was repaired quickly.

4. Smiling proudly, she accepted the award.

5. The burned toast filled the kitchen with smoke.
