

# Reflective Classroom Management Worksheet

Use this worksheet to reflect on your classroom management decisions and identify small, practical adjustments that will strengthen clarity, consistency, and relationships over time.

**1. What worked in your classroom recently—and why do you think it worked?**

**2. What is one classroom moment you would handle differently if it happened again?**

**3. One classroom management strategy I will begin using immediately:**

**4. One strategy or habit I will stop using:**

**5. One expectation or routine that could be clearer for students:**

**6. One way I can improve consistency in my responses:**

**7. One relationship-building move I will try this week:**
