

# Student Co-Created Expectations Builder Worksheet

Use this worksheet with your class to build shared expectations together. Students reflect on what helps them learn best and translate those ideas into clear classroom behaviors. Complete each section as a group discussion or individual reflection activity.

Part 1: I learn best when classmates...

---

Part 2: I learn best when the teacher...

---

Part 3: I learn best when the classroom feels...

---

Part 4: During whole-class discussion, we should...

---

Part 5: During independent work, we should...

---

Part 6: During group work, we should...

---

Part 7: During transitions between activities, we should...

---

Part 8: When someone is stuck or confused, we should...

---

Part 9: If expectations slip, what should happen first?

---

Part 10: What should happen next? \_\_\_\_\_

Part 11: How do we reset respectfully as a class?

---
