

# Teacher Language Builder 2: Language for Routines, Transitions, and Corrections

Use this worksheet to script short, predictable language for transitions, attention signals, and corrections that reduce escalation and increase clarity for students.

Write a transition script you can use instead of: Everyone settle down!

\_\_\_\_\_

What does success sound like during transitions in your classroom?

\_\_\_\_\_

Whole-class reset phrase: \_\_\_\_\_

Group-work reset phrase: \_\_\_\_\_

Quiet redirect phrase: \_\_\_\_\_

Student blurts out — My response script: \_\_\_\_\_

Off-task during independent work — My response script:
